**Re: Maritza Acosta Rosario, Chapter 13
Case No. 19-13103-CGM**

Dear Judge Morris:

Please accept this letter as a status report and a response to the motion filed by the Court to dismiss the Debtor's case because our failure to submit an order for loss mitigation.

I apologize to the Court for not following the correct procedure: my oversight was inadvertent. Soon after we filed the case and sought loss mitigation, the Debtor received a trial loan modification before we began the process or submitted an application to the loan servicer. The Debtor made her third trial payment in February. I have emailed counsel to the servicer to ascertain when we might expect a permanent offer.

I request that the Court withdraw its motion to dismiss. I intend to file an amended plan that incorporates the loan modification, once we receive the permanent offer, and that will withdraw the request for loss mitigation.

Thank you for your time and consideration.

Very truly yours,

Norma E. Ortiz
